Little terror, pack your stars  
Here's a big wind for your sails  
From the motherland

Little terror sings the company song  
Here's a big hand to move you along  
From the motherland

Mother, your son  
Well he's a bad boy  
Mostly a bad boy

Mother, your son is done  
Well he's a bad boy  
Mostly a bad boy  
But he's the one

Mother, your son  
He's a bad boy  
Mostly a bad boy

Mother, your son is done  
Well he's a bad boy  
Mostly a bad boy  
But he's the one
