Where will, where will you be this afternoon  
I cut off all my fingers  
No fame, I spill my guts  
Like orphaned desert isle  
Like orphaned

Big bang  
Blink if you can hear me  
Box my ears, daddy  
Box my ears  
Box my ears, daddy  
Box my ears

Hoping is out of style  
So look happy  
It's the end of the world  
It's the end of the world

Wiz bang  
I've got a big machine  
It's black and blue  
Where will you be this afternoon

Meet me and I'll spill my guts  
Cause I'm open to anything  
I'm open for the first time  
You can count the years  
Count the years  
Count the years

Hoping is out of style  
So look happy  
It's the end of the world  
It's the end of the world
