On nights like tonight  
When no one's around  
I put on the record  
The record I found  
When I was a kid and  
The world was a town  
And Heartbreaker weren't nothin' painful

Carry me Mother  
Mary I'm faithless  
Like Sister Theresa  
Canonized faceless  
The press release leaves  
The plagiarist nameless  
And all is forgiven

On nights like tonight  
When no one's around  
I sit in the dark  
On my hands on the ground  
And I smile like the devil smiles  
Unseen but proud  
Truth be told  
I don't know

Who's at the helm  
Just sit tight  
And I will make my way to you  
And I will make my way to you  
If I'm  
Not on time  
Remember  
That I tried

Carry me Mother  
Mary I'm faithless  
Like needles in haystacks  
That we just replace, it's  
All the same monster  
That nobody faces  
Where all is forgiven

On nights like tonight  
When no one's around  
I turn off the lights  
And float off the ground  
And smile like I used to  
When you were around  
Truth be told  
I don't know

Who's at the helm  
Just sit tight  
And I'll make my way to you  
I'll find a way to get to you
