

## Matthew Good Band "Rico"

Visit "[Rico](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Rico was a short man  
Wants to live with a long haired girl in Cosa Meda  
Rip off fruit stands  
During the getaway she will drive the Vespa

He's gonna buy a parrot  
That speaks her language  
But all it'll say is, "What are you doing with him  
Let's take off, take off, take off, take off"

Everyone's gotta be something  
Me, I'm garbage  
It's all I ever wanted to be  
Shock me again and I'll say

Anything you want me to  
Anything you want me to  
Anything you want me to  
Anything you want me to  
I say anything you want me to  
Anything you want

Let it play out  
Buy the rights to endless love  
If your friends don't like it  
You can tell them for me  
To fuck off, fuck off, fuck off, fuck off

Everyone's gotta be something  
Me, I'm stupid  
It's all I ever wanted to be  
Shock me again and I'll say

Anything you want me to  
Anything you want me to  
Anything you want me to  
Anything you want me to

I say anything you want me to  
Anything you want me to  
Anything you want me to  
Anything you want me to

I say anything you want me to  
Anything you want me to  
Anything you want me to  
Anything you want

Everyone's gotta be something  
Me, I'm loaded  
It's all I ever wanted to be  
Shock me again and I'll stay, I'll stay
