(?????) waste  
This whole town  
Wipe the knives  
And go to ground

An equal ride (??)  
For sheep that reign  
For all their lies  
And all their gains

I won't wait  
For you (?) to brave  
More than one way  
To be ok

What are you thinking...

This, my head and yours  
Just metaphors  
I guess we'll always end up more  
Beat to life (?)  
In restraint  
Hit by mouths  
Gone medicated (?)

What are you thinkin...

Go  
Explode  
What time is it that you're waiting for?  
What time is it that you're waiting for?  
Just go  
Explode  
What time is it that you're waiting for?  
What time is it that you're waiting for?

We could waste  
This whole town  
Wipe the knives  
And go to ground

This musical ride (?)

These sheets of rain  
For all their lies  
And all their games

Just being alive  
Don't get you saved  
If there's more than one way  
To be ok

What are you thinking...

Go  
Explode  
What time is it that you're waiting for?  
What time is it that you're waiting for?  
Just go  
Explode  
What time is it that you're waiting for?  
What time is it that you're waiting for?
