Matthew Good Band
-The Ocean-

[Verse 1]

Ruby red,
These days the good guys wear black
And in your head
There are no sunsets left

[Bridge]

And late at night
When the, the wind is gone
And nobody moves
And the, the truth is tied down
Nobody sees what went wrong
Or what is odd
You can open your eyes

[Chorus]

And it's been so long
And i've been waiting
For the streets to burn
And everywhere i go
Noone seems to know
Which way to turn
Lost under the sun
These tired feet they still run
One day they will come
To the ocean, to the ocean

[Verse 2]

Ruby red,
The time has come
And in your head
You know we're not so numb

[Bridge]

And late at night
When the, wind is gone
And you can't breathe
And the, the truth is tied down
Nobody sees what went wrong

Or what is odd
You can open your eyes

[Chorus]
