Come on over
You'll regret it
Drive you nuts
If you let it
Breathin only
Til you get it
The braves (??) go on and on

There's a light
Up there tonight
That shines a lady (?)
All year bright
It's all the same
You and I
It's over now
I know it, sorry

And I know you
So you know me
But us remains impossible
Yeah us remains impossible

Come on over
You'll regret it
Crack you up
If you let it
Hang on only
Til you get it
The wait goes on and on

There's a light
Up there tonight
That shines a lady (?)
Golden bright
I long to wait
For you and I
It's over now
I know it's always

And I know you
So you know me
But us remains impossible

Yeah us remains impossible
And I know you know that
I ain't me, so
Us remains impossible
Yeah us remains impossible
