I want to live like every day  
Is the last day  
The last day of my life  
I want to feel like I'm out on a ledge  
And I'm loving myself  
I want to learn to fly  
I want to stand on the edge of the world  
Throw myself off and be happy to fall, yeah

(Chorus:)  
Why, why, why  
Don't you even  
Try, try  
To open up your eyes

Wake up, wake up  
Live your life  
Wake up, wake up  
It'll be alright  
When you feel it  
And you know it  
Want to shout it, want to show it  
Wake up, wake up, wake up

I want to feel like I'm running away  
And I can't stop  
Till I'm where I want to be  
I want to hurt, yeah  
I want to be scared  
I'd be freaking out  
But that's alright with me  
I'll take a breath  
Like the world is out of oxygen  
And I'll use it just to laugh

(Chorus:)  
Why, why, why  
Don't you even  
Try, try  
To open up your eyes

Wake up, wake up

Live your life  
Wake up, wake up  
It'll be alright  
When you feel it  
And you know it  
Want to shout it, want to show it  
When you feel it  
And you know it  
Want to shout it, want to show it

Wake up, wake up  
And live your life
