Do you feel different
Now that you spit me out
Do you like hiding
Inside his arms for now

Babe, though it hurts me to say
I don't know you that way
I guess the writing's on the wall
I don't know you at all

I'm still waiting
Still shivering cold
In my third hour
By this pay phone

Babe, though it hurts me to say
I don't know you that way
I guess the writing's on the wall
I don't know you at all
No, I don't know you at all

She ain't mine, no she ain't mine [x5]
She ain't mine
