The sunlight is stationed high to her right
With marks of the angels that kissed her in flight
A cheap imitation, those boys with their lies
A true revelation brings a man to his wife

Oh, what a beautiful scene- a man awaits his bride
Oh, how those bells sweetly ring, when she is by his
side
It's all about to change
It's all about to be the same

A stone set in wire- a gift for this day
As sun sets on diamond, forever awaits

Oh, what a beautiful scene- a man awaits his bride
Oh, how those bells sweetly ring, when she is by his
side
It's all about to change
It's all about to be the same
