Where am I headed?
Got my back against the wall
Can't go on, can't move forward
When I'm up against it all

For you, I know
I must let you go
Everybody waits in line
For you

Tonight
I feel like giving up this right
Oh this right
Tonight
I don't feel like filling up the ocean-the openness in you

I've got my ideas
And they're turning circles in a song
Cover my eyes, keep my ears closed
But you've been singing all along

But you don't know
I can let you go

Tonight
I feel like giving up this right
Oh this right
Tonight
I don't feel like filling up the ocean-the openness in you
Tonight

These reasons, these reasons they're calling
I don't wanna make this mistake
These demons, these demons they're falling, they're
falling
Tonight

Tonight
Tonight

Tonight

Tonight

Tonight

I feel like giving up this right

Oh this right

Tonight

I don't feel like filling up the ocean-the openness in you
