I can't sleep in this room
Still so far from finding you
I can't see to dig beneath these piles of dirt that cover
me

Don't let go
Don't let go
We can crawl out
Out of the shadows

Don't let go
Don't let go
We can find our way back home

Silence keeps the story straight
Fighting for the perfect state
Wave your flag
Oh
I believe hope is comfort if not relief

Don't let go
Don't let go
We can crawl out
Out of the shadows

Don't let go
Don't let go
We can find our way back

And there's a heart that still can beat with every breath
that's inside me
And find the spark that's buried deep
It won't go out
So please

Don't let go
Don't let go
We can crawl out
Out of the shadows

Don't let go

Don't let go
We can find our way back home

Don't let go
We can find our way back home

Don't let go
We can find our way back
