Feat. Katie Herzig

Angel wings spread over water worn wishes  
Guarding the dreams and the things left unsaid  
Here we are wandering, aimlessly roaming  
Lovers who linger and never forget

And when it's done we will walk where the road meets  
the sun

Waiting for you by the Santa Maria  
How long does thou stay with these letters from you  
I don't know whether we'll end up together  
But I always know that our love is true

And when it's done we will walk where the road meets  
the sun

KATIE: Don't disappear  
MATTHEW: Darlin', I want you  
KATIE: Don't leave me here  
MATTHEW: And when the day comes  
KATIE: I'll meet you here  
BOTH: 'Cause I know that wishes come true  
Finding my way back to you

Angels wings spread over water worn wishes  
Guarding the dreams and the things left unsaid  
And when it's done we will walk where the road meets  
the sun

And when it's done we will walk where the road meets  
the sun

And when it's done we will walk where the road meets  
the sun

And when it's done we will walk where the road meets  
the sun

And when it's done we will walk where the road meets  
the sun

And when it's done we will walk where the road meets  
the sun

And when it's done we will walk where the road meets  
the sun

And when it's done we will walk where the road meets  
the sun

And when it's done we will walk where the road meets  
the sun

And when it's done we will walk where the road meets  
the sun

And when it's done we will walk where the road meets  
the sun
