An ace in stasis, seems that's what I've become.  
A walking case of dichotomy.

Couldn't it be? How could it be?

And I won't be the simpleton that you're paying for,  
and I'm so in love with you this time.  
And I'm not the juggernaut that you thought I was, that  
you're waiting for.  
No, I'm just like the rest of us inside.

Keep feelings close, it's better than this thought

Dodging black holes in your parking lot.

Couldn't it be? How could it be?

And I won't be the simpleton that you're paying for,  
and I'm so in love with you this time.  
And I'm not the juggernaut that you thought I was, that  
you're waiting for.  
No, I'm just like the rest of us inside.
