We walk side by side, nervous and gawking.
She speaks with her eyes, IÂ'll do the talking Harmonize my heart, come around and stay Never say goodbye, cuz waking up with you, its all I want to do, you know its true that I belong with you, my love, yes I belong with you.

I was feeling down, cry me an ocean, until I met the smile that caused this commotion.

Kiss me, blow my mind, you put my fears away, help me say goodnight. cuz you and new sunshine keep my pulse in time.

You know its true that I belong with you, my love. Yes I belong with you my love Yes I belong with you my love Yes I belong with youuuuuuuuuuuuuuu.
