You say what's on your mind if you feel so inclined,
The future's far behind.
I wander home through a jet black sky, while she has
stars in her eyes.

Baby I, I should have stayed at home tonight.
Baby I, I should have known the younger kind.

We laugh until you cry, if you could get this high,
now the future's far behind.
I wander home through a jet black sky, while she has
stars in her eyes.

Baby I, I should have stayed at home tonight.
Baby I, I should have known the younger kind.

How could you fool yourself?
Well, at last your cover's blown.
Don't wait for somebody else.
Baby I... ..
