water on my eyes
flowers by my bedside
heart shapes in the sky
make me come untied

oh don't wake me
I'm alright, today I'm faking
yeah that's me in my dream, don't wake me

think I found a way, you see,
to let myself go crazy
in my dream, oh please don't wake me

chances I could take

you know they wouldn't wait
what I meant to do,
stay right there with you

oh don't wake me
I'm alright, today I'm faking
yeah that's me in my dream, don't wake me

think I found a way, you see,
to let myself go crazy
in my dream, oh please don't wake me
