Just another day in class.
Learning what I already knew!
But why did I have to learn this again?
But when do I figure I don't have my text book?

[Chorus]
When school's got you down, you try to figure out your
day.
But today is differnt,
Cause I laid a Text Book today!

[Guitar Solo 1 runs for about 1 minute]

When things are down today, don't think of the bad.
Just take those bad fears, and move them away.
What I know is what you feel in there.
But since when does the teacher give you time to rest?

[Chorus]

Why be so down?
Get up and dance today!
Forget what happened today, just bring your groove
tonight!

[Guitar Solo 2 ends song]
