Alright people, time to take a stand!
Are you set to see, what's in front of you?
We know they'll attack, and we'll fight back!
Are you Ready? Set? Go!

CHORUS

We're ready, so get ready.
Let's have a good time.
We're ready, so get ready.
We're going to stand up, stand up, against bullying
Stand up, against bullying.
Stand up, against bullying.
Stand up, against bullying.
Stand up, against bullying.

Forget what they say, just ignore them.
And what they say, is no use to you.
If you get duty, then you are safe.
Let's start this party, and have ourselves a run!

CHORUS

Guitar Solo

Stand up!
Guitar Solo Ends

We're ready, so get ready.
We're going to stand up, stand up, against bullying
Stand up, against bullying.
Stand up, against bullying.
Stand up, against bullying.
Stand up, against bullying.

REPEAT CHORUS

Stand up against bullying, bullying, bullying, yeah!

Stand up against bullying! *Hold the "ing" for 5 beats*
