You try to win
At a game that has no winners
You try to learn
When nothing can be understood
You try to feel
When all feeling is gone

And you come to love
(Ahh)
What you used to hate
(Used to hate)
You come to find
(Ahh)
What you threw away

You thought that time
Would be your rock
And now this time
It is unlocked
And time will fly
If you can't let it go

And you come to love
(Ahh)
What you used to hate
(Used to hate)
You come to find
(Ahh)
What you threw away

When will you discover who you really are inside?
Follow any other reason and you won't be satisfied

Time will fly
If you can't let it go
And you come to love
(Ahh)
What you used to hate
(Used to hate)
You come to find
(Ahh)
What you threw away

And you won't wait for long
And you come to love
(Ahh)
What you used to hate
