What you gave me  
I could feel it  
Like the warm rays of the sun  
Such a small thing  
Took me farther  
Than I'd been with anyone  
What else can I tell you?  
My life was simply very bright  
So I traded the day for night

Well I love you  
And I want you  
You should know that anyway  
Well I love you  
And I want you  
That doesn't mean I'll stay

How much can I tell you  
My brain is terminally light  
So bright  
That I traded the day for night

What else can I tell you?  
My life is simply very bright  
So I traded the day for night  
I traded the day for night  
Hmm hm hm hm hm
