I never knew how complete love could be
'Til she kissed me and said, baby
Please, go all the way, it feels so right
Being with you here, tonight
Please, go all the way, just hold me close
Don't ever let me go
I couldn't say what I wanted to say
'Til she whispered I love you, so
Please, go all the way, it feels so right
Being with you here, tonight
Please, go all the way, just hold me close
Don't ever let me go
Before his love, I was cruel and mean
I had a hole in the place where my heart should have
been
Now I've changed and I feel so strange
I come alive when it does all those things to me
He says
(Come on)
Come on
(Come on, come on)
Come on
(Come on)
I need you
(Come on)
I love you
(Come on)
I need you
(Come on)
Come on
Please, go all the way, it feels so right
Being with you here, tonight
Please, go all the way, just hold me close
Don't ever let me go
Go on, baby
