To a world turning cold as stone
To a world spinning out of control
See the sigh of the times
Feel the emptiness inside
To try to hide the pain inside

Chorus

May the love of Jesus fill
The heart of every man
May the hope of heaven touch
A life with healing hands
And may all who seek him find
Grace enough to stand
May the love of Jesus fill
The heart of every man

To a soul that's too tired to fight
To a heart that's too weary to try
When all faith is taken away
By the trials of the day
When there's nothing left to say

Chorus

May the love of Jesus fill
The heart of every man
May the hope of heaven touch
A life with healing hands
And may all who seek him find
Grace enough to stand
May the love of Jesus fill
The heart of every man

Bridge

For God so loved the world that
He gave his Son and
Whoever believes will know His love

Chorus

May the love of Jesus fill
The heart of every man
May the hope of heaven touch

A life with healing hands
And may all who seek him find
Grace enough to stand
May the love of Jesus fill
The heart of every man
