Hello, it's me, I've thought about us for a long, long  
time

Maybe I think too much but something's wrong  
There's something here that doesn't last too long  
Maybe, I shouldn't think of you as mine

Seeing you or seeing anything as much as I do you  
I take for granted that you're always there  
I take for granted that you just don't care  
Sometimes I can't help seeing all the way through

It's important to me  
That you know you are free  
'Cause I never want  
To make you change for me

Think of me, you know that I'd be with you if I could  
I'll come around to see you once in a while  
Or if I ever need a reason to smile  
And spend the night if you think I should

It's important to me  
That you know you are free  
'Cause I never want  
To make you change for me

Think of me, you know that I'd be with you if I could  
I'll come around to see you once in a while  
Or if I ever need a reason to smile  
And spend the night if you think I should

Think of me  
Think of me  
Think of me
