I've seen all good people turn their heads each day  
So satisfied, I'm on my way  
I've seen all good people turn their heads each day  
So satisfied, I'm on my way  
Take a straight and stronger course  
To the corner of your life  
Make the white queen run so fast  
She hasn't got time to make you wise  
'Cause it's time, it's time in time  
With your time and its news it captured  
For the queen to use  
Move me on to any black square  
Use me any time you want  
Just remember that the goal  
Is for us all to capture all we want  
Yeah, yeah, yeah, yeah, yeah, yeah  
Don't surround yourself with yourself  
Move on back two squares  
Send an instant comment to me  
Initial it with loving care  
Don't surround yourself  
'Cause it's time, it's time in time  
With your time and its news is captured  
For the queen to use  
Don't surround yourself  
Don't surround yourself with yourself  
Move on back two squares  
Send an instant comment to me  
Initial it with loving care yourself  
Don't surround yourself  
'Cause it's time, it's time in time  
With your time and its news is captured  
For the queen to use  
[Incomprehensible]  
Just give me sometime  
[Incomprehensible]  
Just give me sometime  
'Cause it's time, it's time in time  
With your time and its news is captured  
I've seen all good people turn their heads each day  
So satisfied, I'm on my way

I've seen all good people turn their heads each day  
So satisfied, I'm on my way  
I've seen all good people turn their heads each day  
So satisfied, I'm on my way  
I've seen all good people turn their heads each day  
So satisfied, I'm on my way  
I've seen all good people turn their heads each day  
So satisfied, I'm on my way  
I've seen all good people turn their heads each day  
So satisfied, I'm on my way  
I've seen all good people turn their heads each day  
So satisfied, I'm on my way, yeah, yeah  
I've seen all good people turn their heads each day  
So satisfied, I'm on my way  
I've seen all good people turn their heads each day  
So satisfied, I'm on my way  
I've seen all good people turn their heads each day  
So satisfied, I'm on my way  
I've seen all good people turn their heads each day  
So satisfied, I'm on my way  
I've seen all good people turn their heads each day  
So satisfied, I'm on my way
