Just Like You
Lord Your wonders never cease to amaze me
Cause every time I get down upon my knees I know You
hear me
And I've been less than faithful but you've been more
than graceful
When anyone else would have walked away
It's just like you to save me
It's just like me to run and hide
It's just like love to take me as I am and make me just
like you
Well I could think of a million reasons why I don't
deserve your love
And I could try and try and try and try but I could never
be good enough Because I am just a sinner but I am
saved by grace
You see the heart in me but you love me anyway
It's just like you to save me
It's just like me to run and hide
It's just like love to take me as I am and make me just
like you

Just as I am without one plea but that thy blood was
she'd for me
You see everything I do and still you choose to love me.
