Some sleepless night
If you should find yourself alone

Let me be the one you run to
Let me be the one you come to
When you need someone to turn to
Let me be the one

To set things right
When this whole world's turned upside down

Let me be the one you run to
Let me be the one you come to
When you need someone to turn to
Let me be the one

For love and understanding
To find a quiet place
For silent understanding
A loving touch

Come to me when things go wrong
And there's no love to light the way

Let me be the one you run to
Let me be the one you come to
When you need someone to turn to
Let me be the one

Let me be the one you run to
Let me be the one you come to
When you need someone to turn to

Let me be the one you run to
Let me be the one you come to
When you need someone to turn to
Let me be the one
