Well I know you are dying
To give me advice
Speak to me once or a hundred times
Those are words
I cannot hear

Thinkin' looks good
But I don't like the taste
A mind is a terrible thing to waste
But it was a thin veil

Dropped it like a tail
Jumped into my face
Creeping up behind
Lost my mind
(Lost my mind, lost my mind)

You can't stomach the truth
And I only tell lies
You don't care if you live
I don't care if I die
So we follow the same sound

Standin' on the ground
The Earth she treat me kind
Left my thoughts behind
Lost my mind
(Lost my mind, lost my mind)

We follow the same sound
Standin' on the ground
The Earth she treat me kind
Left my thoughts behind
Lost my mind
(Lost my mind, lost my mind)
(Lost my mind, lost my mind)

Next time it will be all of me
(All of me)
Next time it will be all of me
(All of me)
Next time it will be all of me

(All of me)
Next time it will be, all of me
That's right
