Scooby-Dooby-Doo, where are you?
We got some work to do now
Scooby-Dooby-Doo, where are you?
We need some help from you now

Come on, Scooby-Doo, I see you
Pretendin' you've got a sliver
But you're not foolin' me 'cause I can see
The way you shake and shiver

You know we got a mystery to solve
So, Scooby-Doo, be ready for your act, don't hold back
And Scooby-Doo, if you come through
You're gonna have yourself a Scooby snack

Scooby-Dooby-Doo, here are you
You're ready and you're willin'
Sneakin' down on you, Scooby-Doo
I know we'll catch that villian

Scooby-Dooby-Doo, where are you?
We got some work to do now
Scooby-Dooby-Doo, where are you?
We need some help from you now

Come on, Scooby-Doo, I see you
Pretendin' you've got a sliver
But you're not foolin' me 'cause I can see
The way you shake and shiver

You know we got a mystery to solve
So, Scooby-Doo, be ready for your act, don't hold back
And Scooby-Doo, if you come through
You're gonna have yourself a Scooby snack

Scooby-Dooby-Doo, here are you
You're ready and you're willin'
Sneakin' down on you, Scooby-Doo
I know we'll catch that villian
I know we'll catch that villian
I know we'll catch that villian
