Shower me with your sunshine lies
And I'll believe even though I'm wise
To pain, to blaming ignorance on bliss
Shower me with your sunshine lies
To me it comes as no surprise

That I would need to fall into your arms
Shower me with your sunshine lies
And I'll believe even though I'm wise
To pain, to blaming ignorance on bliss
Shower me with your sunshine lies

I'll stay till every flower dies
Until you take my breath away
Until you take my breath away

Ooh, ooh
Take my breath away
Ooh, ooh
Take my breath away

Ooh, ooh
Take my breath away
Ooh, ooh
Take my breath away

Sunshine, sunshine, sunshine, sunshine
Sunshine, sunshine, sunshine, sunshine
Sunshine, sunshine, sunshine, sunshine
Sunshine, sunshine, sunshine, sunshine
Sunshine, I am sunshine

Shower me with your sunshine lies
And I'll believe you even though I'm wise
To pain, to blaming ignorance on bliss
Shower me with your sunshine lies

I'll stay till every flower dies
Until you take my breath away
Until you take my breath away

Sunshine

Until you take my breath away
Until you take my breath away
