"Until You Break"

Hanging on to your pride
Trying not to decide
Who could take you

Do you hold it inside
Let it fall by the way
I'll feel the way you feel
And tell you after

But how long will it take
How long until you break
To talk you into space
How long until you break

Put an end to your day
Turn the light out and say
That first I'll get to know
And love you after

Just how long will it take
How long until you break
To talk you into space
How long until you break

I'll feel the way you feel
And love you after

Just how long will it take
How long until you break
To talk you into space
How long until you break

Just how long will it take
How long until you break
To talk you into space
How long until you break

'Til you break
'Til you break
'Til you break
