If we stop to think of life
As time that's running slow
From birth to death like day to night
It isn't very far to go

So I'm cruisin'
(Cruisin')
With my pretty little vixen
I can't believe the strength of my addiction to absolute
freedom
Cruisin', with my pretty little vixen
Guided by the depth of her conviction to absolute
freedom

Baby, let me talk you down
Or pull you in the snow
Hey honey thing, now don't you frown
They say my feelings never show

'Cause I'm cruisin'
(Cruisin')
With my pretty little vixen
I can't believe the strength of my addiction to absolute
freedom
Cruisin', you're my pretty little vixen
Guided by the depth of her convictions to absolute
freedom

Lover, as you ride with me
Tell me what you see
I'm understandin' by and by
Things you thought I'd never try

So I'm cruisin'
(Cruisin')
With my pretty little vixen
I can't believe the strength of my addiction to absolute
freedom
Cruisin', you're my pretty little vixen
Guided by the depth of her conviction to absolute
freedom

Cruisin', with my pretty little vixen
I can't believe the strength of my addiction to absolute
freedom
