You think you're so fast
But I know who
Said it in the first place
It wasn't you
And you think you're so smart
But I don't know
Every now and then I guess it starts to show
And I'm just like you
I don' wanna be alone
I don't know what to do
I'm sittin' around at home
Waiting for love to come here
When I feel again
I wasted the best of my time (time)
Hating to think it was mine (mine)
Looking away
You think you're so cool
But I've seen through
People who for years
Have been holding you
And you think I'm so small
But I am not
Now we're talking big, honey, I miss you a lot

'Cause I'm just like you
I don' wanna be alone
I don't know what to do
So I'm sittin' around at home
Waiting for love to appear
When I feel again
You think you're so cool
But I've seen through
The people who for years
Have been holding you
And you think you're so smart
But I don't know
Every now and then I guess it starts to show
And I'm just like you
I don' wanna be alone
I don't know what to do
I'm sittin' around at home
Waiting for love to appear

When I feel again
I wasted the best of my time (time)
Hating to think it was mine (mine)
Looking away.
