There must be a God, I believe it's true.  
Cause I can see His love, when I look at you.  
And he must have a plan for this crazy life.  
Because He brought you here and placed you by my  
side.

Chorus:

And I have never been so sure of anything before,  
Like I am in this moment here with you  
Now for better or for worse are so much more than only  
Words  
And I pray everyday will be the proof  
That I mean what I say when I say 'I do'  
Yeah I mean what I say when I say 'I do'

You see these hands you hold, will always hold you up  
When the strength you have just aint strong enough  
And what tomorrow brings, only time will tell  
But I will stand by you in sickness and in health

Cause I have never been so sure of anything before  
Like I am in this moment here with you  
And now 'for better or for worse'  
Are so much more than only words  
And I pray every day will be the proof  
That I mean what I say when I say 'I do'  
Ya I mean what I say when I say

Take my hand and take this ring  
And know that I will always love you through anything.

And as the years march on like a beating heart  
I will live these words 'til death do us part'

Cause I have never been so sure of anything before  
Like I am in this moment here with you  
And now for better or for worse  
Are so much more than only words  
And I pray everyday will be the proof  
That I mean what I say when I say 'I do'  
Ya I mean what I say when I say 'I do'
