I've been catching up on daydreams  
I've been lost all afternoon  
I've been imagining a future  
In a world of only You  
A world of only You

When the curtain falls down on me  
I will be free  
I will be free  
When the curtain falls down on me  
I believe  
I will be free  
Free

I get so stuck here in the shadows  
Where it's hard to escape this gravity  
This life is heavy now but I know,  
Yes I know  
That someday  
Gravity's gonna lose it's grip on me

When the curtain falls down on me  
I will be free  
I will be free  
When the curtain falls down on me  
See I believe  
I will be free  
Free to fly-y-y away  
I'm free to fly-y-y away

Well the show's not over, but I know how it ends  
(I know how it ends)  
When this dream  
Becomes reality  
It is no mystery  
Where I will be

When the curtain falls down on me  
I will be free  
I will be free  
When the curtain falls down on me  
I will be free I will be free I will be

Free  
When the curtain falls down on me  
Well I believe  
I will be free  
Free to fly-y-y away  
I'm free to fly-y-y away  
Free to fly-y-y away  
Free to fly-y-y away

Oh wow look at me now  
Leaving the ground  
Up in the clouds  
So high  
Up in the sky  
It's time to fly

Fly-y-y away  
I'm free to fly-y-y away  
I'm free  
To fly
