Yeah alright

There's a church on the corner in a harbor town
Where the stained glass lets the sun shine through
When Sunday morning rolls around
The people come to hear about the truth

The choir sings, 'Amazing Grace'
Then you could hear the Preacher say

Love has no walls
Love needs no space or time
Reach out your heart
Has no walls

One day a hurricane swept through that town
Worst storm you ever did see
Next Sunday morning when no church could be found
The people still gathered out in the street

And the choir sang, 'Amazing Grace'
Then, you could hear the Preacher sayin'

Love has no walls
And love needs no space or time
Reach out your heart

'Cause love has no walls, yeah
Alright, has no walls
Love has no walls

There's a church on the corner in a harbor town
They're singing about 'Amazing Grace'

Love has no walls, alright
And love needs no space or time
So reach out your heart

Love has no walls, alright
And love needs no space or time
So reach out your heart

Love has no walls
Love needs no space or time
Reach out your heart
All you got to do is reach out
All you got to do is reach out
