You got your hand on the door,  
and your ready just to walk out;  
Well the fight that you had  
filled your mind up with all this doubt.  
And your losing your mind  
and your losing your faith;  
And you can't remember why  
you fell in love in the first place.

Chorus1:

Go back, go back  
to the moment of truth  
When she walked down the aisle  
and she first said "I do".  
When this life makes you wonder  
"what have you got to lose"?  
Go back, go back  
to the moment of truth.

You've got your hand on a habit,  
and you can't seem to let it go.  
It used to be your escape,  
now its out of control.  
And now its you in the mirror,  
but you don't recognize your face;  
And your lookin' for a reason  
not to throw it all away.

Chorus2:

Just go back, go back  
to the moment of truth,  
when 3 words "Its a girl!"  
and she looks just like you.  
When this life makes you wonder  
"what have you got to lose"?  
Go back, just go back,  
to the moment of truth.

Bridge:

You got your hand on the bible  
but your heart feels like stone;

cuz you feel like you've made  
too many mistakes to come home,  
And your losing your will  
and your losing your faith,  
and you wonder if you  
even believe in the 1st place ...

Chorus3:

Just go back, go back,  
to the moment of truth  
when you 1st talked to Jesus  
and He reached out for you!  
He's still reachin',  
He's still reachin' out for you  
so if this life makes you wonder  
"what have you got to lose"? ...

Just go back, just go back  
to the moment of truth;  
Just go back, go back  
to the moment of truth ...

Just go back.
