Take a look at the mountain
Stretching a mile high
Take a look at the ocean
Far as your eye can see
And think of me

Take a look at the desert
Do you feel like a grain of sand?
I am with you wherever
Where you go is where I am
And I'm always thinking of you
Take a look around you
I'm spelling it out one by one

I love you more than the sun
And the stars that I taught how to shine
You are mine and you shine for me to
I love you
Yesterday
And today
And tomorrow
I'll say it again and again
I love you more

Just a face in the city
Just a tear on a crowded street
But you are one in a million
And you belong to me
And I want you to know
I'm not letting go
Even when you come undone

I love you more than the sun
And the stars that I taught how to shine
You are mine and you shine for me to
I love you
Yesterday
And today
And tomorrow
I'll say it again and again
I love you more
I love you more

Shine for me
Shine for me
Shine on, shine on
Shine for me

I love you more than the sun
And the stars that I taught how to shine
You are mine and you shine for me to
I love you
Yesterday
And today
And tomorrow
I'll say it again and again
I love you more

I love you more than the sun
And the stars that I taught how to shine
You are mine and you shine for me to
I love you
Yeaterday
And today
Through the joy
And the pain
I say it again and again
I love you more
I love you more

And I see you
And I made you
And I love you more than you can imagine
More than you can fathom
I love you more than the sun
And you shine for me
