"Only Grace"

There is no guilt here
There is no shame
No pointing fingers
There is no blame

What happened yesterday has disappeared
The dirt has washed away
And now it's clear

There's only grace
There's only love
There's only mercy
And believe me it's enough

Your sins are gone
Without a trace
And there's nothing left now
There's only grace

You're starting over now
Under the sun
You're stepping forward now
A new life has begun
Your new life has begun

There's only grace
There's only love
There's only mercy
And believe me it's enough

Your sins are gone
Without a trace
And there's nothing left now
There's only grace

And if you should fall again
Get back up, get back up
Reach out and take my hand

Get back up, get back up
Get back up again
(Get back up)

Get back up again

There's only grace
There's only love
There's only mercy
And believe me it's enough, it's enough

Your sins are gone
Without a trace
And there's nothing left now
There's only, there's only grace
(Get back up)

There's only mercy
And believe me it's enough, it's enough

Your sins are gone
(Get back up)
Without a trace
(Get back up)
And there's nothing left now
There's only, there's only grace

So get back up
Get back up again
(Get back up, get back up)
Get back up again
