Hey, does it ever make you wonder  
what's on my mind  
I, I was only ever running to your side  
I never cried, I just watched my life go by  
It's just a pack of lies,  
'cause you're leaving me behind  
Why, after this long is there nothing  
I'll keep, oh, I can shout  
you'll pretend you're falling asleep  
I live a lie, yeah, believing that you're mine  
It's just a waste of time  
'cause you're leaving me behind

Hey, there's not a cloud in the sky  
It's as blue as your goodbye  
and I thought it would rain  
on a day like today  
Hey, there's not a cloud in sight  
it's as blue as your blue goodbye  
and I thought it would rain  
the day you went away

Hey, does it ever make you wonder what's on my mind  
I was only ever running back to your side  
Hey, there's not a cloud in the sky  
it's as blue as your goodbye  
and I thought it would rain  
on a day like today

Hey, there's not a cloud in sight  
it's as blue as your blue goodbye  
and I thought it would rain  
the day you went away

He's on the buses, and the aeroplanes  
with some groceries and a sleeping bag....
