When I see your smile
Tears roll down my face I can't replace
And now that I'm stronger I have figured out
How this world turns cold and it breaks through my soul
And I know I'll find deep inside me I can be the one

I will never let you fall
I'll stand up with you forever
I'll be there for you through it all
Even if saving you sends me to heaven

It's ok. It's ok. It's ok.

Seasons are changing
And waves are crashing
And stars are falling all for us
Days grow longer and nights grow shorter
I can show you I'll be the one

I will never let you fall
I'll stand up with you forever
I'll be there for you through it all
Even if saving you sends me to heaven

'Cause you're my, you're my, my true love, my whole
heart
Please don't throw that away
'Cause I'm here for you
Please don't walk away and
Please tell me you'll stay, stay, yeah
Whoa-oh, stay, whoa

Use me as you will
Pull my strings just for a thrill
And I know I'll be ok
Though my skies are turning gray, (gray)

I will never let you fall
I'll stand up with you forever
I'll be there for you through it all
Even if saving you sends me to heaven

I will never let you fall
I'll stand up with you forever
I'll be there for you through it all
Even if saving you sends me to heaven
