I hope you find the feet of a dancer,
I hope you can sing in the rain,
I hope you find all the easy answers to your pain;
It won't be easy, what can I say,
There will be trouble along the way;
'Round every corner there's terror and fear,
Always remember that we're here.

I hope you find the feet of a dancer,
I hope you can sing in the rain,
I hope you find all the easy answers to your pain;
I hope you find love and affection,
I hope you find someone who cares;
I hope you find all the right directions everywhere,
Everywhere.

A shoulder to cry on whenever you're alone,
You can rely on us you know;
Nothing too crazy, nothing too dear,
Always remember that we're here.

I hope you find the feet of a dancer,

I hope you can sing in the rain,
I hope you find all the easy answers to your pain;
I hope you find love and affection,
I hope you find someone who cares;
I hope you find all the right directions everywhere,
Everywhere.

Bridge:

Sometimes when the rain comes pouring down,
When it comes pouring down,
Down on you.

I hope you find the feet of a dancer,
I hope you can sing in the rain,
I hope you find all the easy answers to your pain;
I hope you find love and affection,
I hope you find someone who cares;
I hope you find all the right directions everywhere,

Everywhere.
I hope you find all the right directions everywhere,
Everywhere.
