"I Hear You Calling Me"

I hear you calling me
You called me when
The moon had veiled her light
Before I went from you
Into the night
I came
Do you remember
Back to you for one last kiss
Beneath the cold starlight
I hear you calling me
And oh the ringing gladness
Of your voice
The one that made my
Loving heart rejoice
You spoke
Do you remember
And my heart still hears
The distant music of your voice
I hear you calling me
Though years have stretched
Their weary lengths between
And on your grave
The mossy grass green
I stand
Do you behold me listening here
Hearing your voice
Through all the years between
