In my eyes there is no other
You are perfect as open'd veins
In my eyes I see no other
You inspire the ugliest things

Lift me with your lifeless form
Drag me through Love's excrement
Caress me with cruell claws
Bless my pen with dreams and lies
Let me hold you in my sleep
Let me wake and damn this art

Ev'ry word bleeds from me
Just like a thousand wars
They aren't all beautifull

See through my eyes, poetry
Gouge my eyes with thorns
Breathe through my lungs, softly
I will breathe sea-water soon

Creation isn't beautifull
You inspire the ugliest things
