I'm sitting in here inside this strangest place
Time is racin' by
I've been way out here for a month or more
And tonight I'm wonderin' why

You try to understand the things that I feel
Maybe this time I'll find a way to explain it

'Cause there is a dream deep inside my head
And it may seem like it's breakin' the thread
That holds me to you

Still you have never wanted to change me
But darlin', I know though we're far apart the signal is
strong
This helpless heart will always belong to you

This power takes me from the place I belong
To where only the strong get through
And you've got to keep on believin' or you'll lose your
way
It slips right out of you

Though there are days that I can flicker and fade
Here in this place tonight a fire is burnin'

'Cause there is a dream deep inside my head
And it may seem like it's breakin' the thread
That holds me to you

Still you have never wanted to change me
But believe me I know though we're far apart the signal
is strong
This helpless heart will always belong to you

There is a dream deep inside my head
And it may seem like it's breakin' the thread
That holds me to you

Still you have never wanted to change me
But believe me I know though we're far apart the signal
is strong

This helpless heart will always belong to you
Oh, will always belong to you, only to you
