If the sun should tumble from the sky,
If the sea should suddenly run dry,
If you love me, truly love me,
Then whatever happens, I won't care.
If it seems that everything is lost,
I shall smile & never count the cost,
If you love me, truly love me,
Then whatever happens, I won't care.
Shall I catch a falling star,
Will I bring it where you are,
If you want me to, I will,
And I'll do anything you ask, (alternatively... you can set
me any task)
And I'll fulfill any task,
If you'll only love me still.
When at last our life on earth is through,
I shall share eternity with you,
If you love me, truly love me,
Make it happen, I won't care.
(instrumental)
Will I catch a falling star ? etc
When at last our life on earth is through.....
