CHORUS:

Let the time flow  
Let the love grow  
Let the rain shower  
Let the rose flower  
Love it seeks, love it finds  
Love it conquers, love it binds

We come to each other from different worlds,  
Drawn to each other by the love inside of us  
We give to each other our different worlds  
As long as we can do it,  
Life is gonna breeze right through it

CHORUS

We reach for each other from different worlds

With love for each other that will stand the test of time  
We're up to the challenge of different worlds  
With this love inside us,  
There is nothing can divide us

CHORUS

Love it seeks and love it finds  
(Love it seeks, love it finds)  
Love it conquers, love it binds  
Ahhhhhhh, ahhhhhhh

Love it seeks, love it finds  
Love it conquers, love it binds
