And when I think of how  
We might turn out to be,  
Then something melts inside of me

I wonder, I wonder,  
I wonder what you're like

Well, I wonder what you're like  
In the morning  
When sunshine's making patterns on the wall  
Do you like to laugh in bed?  
Do you sleep real late instead?  
Do you sometimes say, "Hey, baby,  
Let's not get up at all!"

Well, I wonder what you're like  
In the evening  
When the moon is risin' pale and paper thin  
As the day fades into night  
Do you dine by candlelight?  
Do you sometimes say, "Hey, baby,  
Tonight let's just stay in!"

I wonder, I wonder  
And when I think of how  
We might turn out to be,

Then something melts inside of me  
Ooh, ooh  
Wonderin's all I do  
Wonder if you wonder too

### INSTRUMENTAL INTERLUDE

And I wonder what you're like  
When it's midnight  
Do you lie awake and feel the time go by?  
When your thoughts hang in the air,  
Do you need somebody there?  
And oh, could that somebody  
Be you and I?  
Oh, could that somebody

Be you and I?

I wonder, I wonder,  
I wonder what you're like
