I don't wanna kiss or hold your hand
If it's funny, try and understand
In this world, there's nothing I would rather do...
'Cause I'm happy just to dance, happy just to dance
with you

I don't wanna kiss or hold your hand
If it's funny, try and understand
There is really nothing else I'd rather do
'Cause I'm happy just to dance with you

I don't wanna hug or hold you tight
I just wanna dance with you all night
In this world, there's nothing I would rather do
'Cause I'm happy just to dance with you

Just to dance with you, oh-oh,
Is everything I need
Before this dance is through, I think I'll love you too
I'm so happy when you dance with me

If somebody tries to take my place,
Let's pretend we just can't see her face
In this world, there's nothing I would rather do
I discovered I'm in love, discovered I'm in love with you

INSTRUMENTAL BRIDGE

Just to dance with you, oh-oh,
Is everything I need
Before this dance is through, I think I'll love you too
I'm so happy when you dance with me

If somebody tries to take my place,
Let's pretend we just can't see her face
In this world, there's nothing I would rather do
'Cause I'm happy just to dance, happy just to dance
with you

Ooooooooooooooooooooooh!

In this world, there's nothing I would rather do

Happy just to dance with you
Happy just to dance with you
Happy just to dance with you
Happy just to dance with you
