The night bird is dyin' and baby, there's no denyin'  
Too far gone to escape, to pull myself free  
Now, I'm tryin', tryin' hard to get back  
How I'm dyin', tryin' hard to get back  
But it's too far but it's too far to climb

'Cause I'm in too deep  
Fallin' down through the dark and it's drivin' me crazy  
I'm in too deep  
All the feel of the pain and it's drivin' me crazy

Trusted you without thinkin'  
I didn't, didn't notice that I was sinkin'  
Never thought I could lose  
What I've given in

How I'm needin', needin' to be near you?  
How I'm bleedin' just needin' to be near you  
When all I wanted  
All I wanted was you

'Cause I'm in too deep  
Fallin' down through the dark and it's drivin' me crazy  
I'm in too deep  
All the feel of the pain and it's drivin' me crazy

I'm in too deep  
Down a bottomless well, I'm a-shellin', I'm fallin'  
I'm in too deep  
In a dark, cold cell and you can't hear me callin'

I'm in too deep  
It's a bottomless well that I find myself down in  
I'm in too deep  
In a dark, empty cell, I'm a-shellin', I'm drownin'

In too deep  
Ah, ah, ah  
In too deep  
Ha, ha, ha, crazy

'Cause I'm in too deep

Fallin' down through the dark and it's drivin' me crazy  
I'm in too deep  
All the feel of the pain and it's drivin' me crazy

I'm in too deep  
Fallin' down through the dark and it's drivin' me crazy  
I'm in too deep  
All the feel of the pain and it's drivin' me crazy
